	Public Convenience and Necessity to Provide)	
	Intrastate Resold Interexchange and Local)	
	Exchange Telecommunications Services within)	
	the State of South Carolina and for Alternative)	
	and Flexible Regulation.)	

This matter comes before the Public Service Commission of South Carolina (“Commission”) on the request of Holman Moneyman Finance Co., Inc. d/b/a E-Z Phone (“E-Z Phone” or the “Company”) to cancel its Certificate of Public Convenience and Necessity to provide intrastate resold local exchange and non-facilities based interexchange telecommunications in the State of South Carolina. A review of the docket file reveals that the Commission granted E-Z Phone authority to operate as a reseller of local exchange and intrastate interexchange telecommunications services in South Carolina by Order No. 2001-1122, dated December 17, 2001.

By letter received July 7, 2004, E-Z Phone, through the Company’s owner, advised the Commission that as of July 8, 2004, E-Z Phone is closing its operations. E-Z Phone asserts that the Company is cancelling all long distance and local phone hook ups due to the non-profitability of the business. According to E-Z Phone, the Company has contacted all customers by letter and phone advising of the cancellation of the Company’s telecommunications operations. E-Z Phone attaches to its July 7, 2004 letter,

a copy of the notification provided to the Company's customers. Lastly, E-Z Phone adds that the Company has corresponded with Fast Phone, another company in Orangeburg, and advises that Fast Phone will be switching some of E-Z Phone's accounts to Fast Phone.

As E-Z Phone is no longer providing the services for which its Certificate of Public Convenience and Necessity was granted, the Commission finds and concludes that E-Z's Certificate of Public Convenience and Necessity to provide intrastate resold local exchange and non-facilities based interexchange telecommunications in the State of South Carolina should be cancelled.

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to operate as a reseller of local exchange and intrastate interexchange telecommunications services within the State of South Carolina authorized by Order No. 2001-1122, dated December 17, 2001, issued in the instant docket to Holman Moneyman Finance Co., Inc. d/b/a E-Z Phone is hereby cancelled.

2. This Order shall remain in full force and effect until further Order of the Commission.
